Dear Mr. King:

I have your December 4, 2007, letter following up on a request made by Linnea Long of your office last spring. Unfortunately, the project involving the collation of electronic data in respect of members of the bar of the State of New Jersey has not yet been completed. Certain aspects of the project have taken substantially more time than anticipated. These areas include but are not limited to business contact information and current bar status. Until these areas are addressed, we are not making the information available to outside vendors.

Very truly yours,

A handwritten signature in blue ink, appearing to read "Stephen W. Townsend", with a long, sweeping flourish extending downwards and to the right.
